**EV CHARGING**

**SOLARSOLUTIONS  
INTERNATIONAL**

**The regional trade  
and knowledge fair  
for the solar sector**

Part of **SUSTAINABLE  
SOLUTIONS**

## An industry in acceleration

The incredible growth of solar energy seems unstoppable. That is why **manufacturers, distributors and wholesalers** at Solar Solutions showcase innovations that help **installers, developers and other sustainable professionals** to meet the demand. Solar Solutions is all about trading, discovering new products, gaining knowledge during high-quality seminars and continuous networking with the right people.

The generation of sustainable electricity goes hand in hand with its use. That is why **energy storage, EV charging infrastructure and sustainable HVAC** are important pillars of Solar Solutions and the overarching trade fair Sustainable Solutions.
